“ *My name is Danny and I live in Newport Beach California. I have never met Mr. Williams but he touched my life in an incredibly beautiful way. In 2009 I purchased a Cavalier puppy I named Charlie Brown! He was the Love of my life. He just passed away on 5/21/23. 😭. But not before he witnessed me start a family of my own with a beautiful wife and 3 kids. He was my rock and best friend. I checked his pedigree to see if I could find another relative of his and came across this post about Mr. Williams. I am TRULY grateful for the joy and love Mr. Williams brought into my life and wish I could have thanked him personally. May God bless him and his family. If any one of his relatives would like to reach me please email me anytime. Dlnathanson@yahoo.com*
